Highlights

Production of bituminous coal and lignite in the week ended January 21, 1984, as estimated by the Energy Information Administration, was 15,073,000 short tons. This was a decrease of 1,695,000 short tons, or 10.1 percent from production in the previous week. Production in the corresponding week of 1983 was 14,698,000 short tons. Bituminous coal and lignite production from January 1 through January 21, 1984 totaled 44,666,000 short tons, 0.3 percent above production in the same period of 1983.

Production of Pennsylvania anthracite in the week ended January 21, 1984, as estimated by the Energy Information Administration, was 75,000 short tons, a decrease of 9,000 short tons or 10.7 percent from production in the previous week. Production in the corresponding week of 1983 was 59,000 short tons. Anthracite production from January 1 through January 21, 1984 totaled 223,000 short tons, 19.3 percent above production in the same period of 1983.

FIVE ESSENTIAL TOOLS FOR ECONOMISTS

Five monthly periodicals
about economic data,
published by the Federal
agencies responsible
for collecting and
interpreting the data.

MONTHLY LABOR REVIEW

Current data and analysis on employment, unemployment, prices, wages, productivity, industrial relations, economic growth, foreign labor developments, and job safety. Published by the Bureau of Labor Statistics, U.S. Department of Labor.
\$26 per year.

SURVEY OF CURRENT BUSINESS

Estimates of national, regional, and international economic accounts; articles on the business and economic situation; and a statistical section covering all aspects of the economy. Published by the Bureau of Economic Analysis, U.S. Department of Commerce.
\$30 per year.

AGRICULTURAL OUTLOOK

Current analysis and forecast data on the U.S. food and fiber economy, covering commodity supply and demand, farm income, world agriculture and trade, food prices and marketing, farm inputs, transportation, storage, and the general economy. Published by the Economic Research Service, U.S. Department of Agriculture.
\$31 per year.

MONTHLY ENERGY REVIEW

Current and historical energy statistics for production, consumption, imports, exports, storage, and costs of the major energy resources, including petroleum, natural gas, coal, and electric power. Published by the Energy Information Administration.
\$36 per year.

SOCIAL SECURITY BULLETIN

Analytical articles and current statistics on Old-Age, Survivors and Disability Insurance, Supplemental Security Income, and Aid to Families with Dependent Children programs. Published by the Social Security Administration, U.S. Department of Health and Human Services.
\$29 per year.
